

**YEARBOOK SUMMER 2022**

It's hard to believe that **SIMCHA JUNIORS 2022** is coming to an end. We were really **ROLLING** the whole summer! **SIMCHA JUNIORS** had a **BALL!!**

We enjoyed cooling off in the pool and learning how to **SWIM**. Thank you to our wonderful **LIFEGUARDS**, in the morning and in the afternoon. We had a blast **SWIMMING** two times each day!

We enjoyed **ART**. Designing masterpieces was so amazing! We love the scrapbook using the different art mediums. Thank you **MORAH DEBBIE AND RACHEL**.

Kickball, basketball, football, hockey and ga-ga, did we ever have fun! Learning how to play and playing was just fantastic! Thank you **COACH** we had such a ball!

**RABBI FEIGENBAUM**, along with **RABBI APPELBAUM**, **RABBI POTASH AND RABBI SOKOL**, taught us so many valuable lessons. We enjoyed listening to the wonderful stories and davening with them too!

Thank you **MORAH ALIZA**, creative movement kept us jumping, moving and using all our energy to have a blast! We also loved **FUN** with **FOOD**. Not only was it fun to create but it was yummy to eat too!

**BOOT CAMP** kept us in shape and enjoying obstacle courses, tunnel crawls and exercising! Thank you **MORAH TAMAR**.

We enjoyed all our special trips and treats each day but what really kept us going were our **incrediBALL** Morahs.

Thank you! Each and every one of you contributed to the wonderful time our boys enjoyed! Thank you to **MORAH ESTIE** who made sure that every day ran smoothly. Of course, thanks to **RABBI TAUB** and **RABBI SUDWERTS** who made everything possible. Last but definitely not least **THANK YOU** to our dear parents for entrusting your precious sons to us! We enjoyed each and every one of them.

What a **wonderFULL** time the **JUNIORS** had in **Simcha Juniors 2022!**

K'Siva V'Chasima Tova!

Have a wonderful year,

MORAH ESTIE

It's hard to believe that the **SUMMER CAMP SEASON** is ending! We have so many memories that will hopefully remain with us. The **SHOFAR** that we **BLEW** in camp today heralds the coming **YOMIM TOVIM** with all of their special significance.

Throughout the **SUMMER** I often asked myself, "Are the boys processing the stories and their lessons?" I deliberately chose stories that are "**SLIGHTLY**" above the boys' level. I can try to be sophisticated and say that I'm practicing Vigotsky's zone of proximal development but I'm not that type. Often we can test the waters and surprise ourselves by what our boys are capable of doing and understanding. I've been **SURPRISED** by the boys' perception and the **QUESTIONS THEY ASK.**

As we enter the **YOM TOV SEASON**, let's keep them involved. It's not just, "**DIP THE APPLE IN THE HONEY,**" but also why. If you have a **SHOFAR** in the house, let them try it out. That, by the way, is the advice of the **MISHNA IN ROSH HASHANAH.** Our boys are too young to fast on **YOM KIPPUR** but by all means talk about it. When my children were younger, we had them "**FAST FROM CANDY**" on **FAST DAYS.** Of course, the **YOMIM TOVIM** of **SUKKOS** and **SHMINI ATZERES/SIMCHAS TORAH** have plenty of room for involvement.

Baruch Hashem we can look forward to tremendous **NACHAS** and **HATZLACHA** from all of our children. May we all be zoche to a **SHANA TOVA UMESUKA!!**

*Rabbi Feigenbaum*

# Simcha Juniors Theme Song

## TTTO: Atah Sakam

(Low 1) Welcome to Simcha,

We are the Juniors,

The courts and the pool we do  
rule.

Simcha Juniors Cheer

Bang bang clap

Bang bang clap

(Low 2) We're always on the run,

Come see we're really number  
one!

Juuuunior

We're on the line,

We're connected all the time.

And together we do rule!

(High) Simcha Juniors,

We're rolling in the fun.

We--- love it a ton,

So join us everyone!

Simcha Juniors are so cool!

Oooooooooo

Oooooooooo

Juniors x2

I suppose I should've seen it coming.

After all **ARTS AND CRAFTS** is an art (and a craft :-)), not a science.

It's the way a child expresses his thoughts and emotions. It's a crystal clear reflection of the way he sees the world.

So I should've been ready for:

"But **MORAH** you said that we make a barbecue party on **JULY 4** because we are so happy that our country became free"

"Yes, I did, but that does not mean -"

"So why can't I be free to make the stripes pink and green?"

I quickly realized that I best buckle up because I was in for an anything but ordinary **SUMMER.**

Our highest priority was that your children had fun. So, we kicked things off with a **"WELCOME SUMMER" BANNER.** The kids loved the goofy idea of treating summer like a visiting friend.

We continued with the basics. Teaching the **COLOR WHEEL** and explaining the role of **PRIMARY** and **SECONDARY COLORS** may sound tedious. But oh, the amaze look in the eyes of your children when they discover how to **DIFFERENT COLORS** can you combine to make an entirely **DIFFERENT COLOR.**

There's a reason the obligatory **PICTURE** frame is a standard in every camp everywhere. Take a look at how are your **CHILD** chose to decorate a **FRAME** that he made to display a **PICTURE** of himself.

What **EMOJIS** did he choose to hang from his **MOBILE?**

I was really thrown for a loop by the power and feeling in many of the **KOTEL DRAWINGS.** Notions of galus may be over their heads but it was obvious that love for Israel and yearning for Moshiach and rebuilding the **בית המקדש** are things they hear a lot about at home.

Moving on to more **"CRAFTY CRAFTS"** the kids were so excited to make things they could use as well as look at. The **TIC-TAC-TOE GAMES** and the **WATERMELON COLOR WAR** fans generated so much excitement.

Our last project proved to be the highlight of the season. The kids had a blast creating their own unique individual **FISH BOWLS** filled with **PLAY-DO FISH** and the **ART ROOM** just oozed with creativity.

On a personal note, I hope my **FIRST SUMMER AT SDC** will be the first of many. I feel like **LIPA SCHMELTZER** and **MORDECHAI SHAPIRO** must feel. Being paid to do something **I ENJOYED** and had so much fun doing.

**MORAH ETTY SLANSKY** and **RABBI AVI TAUB** spare no effort and will move mountains to help the staff do what they can to give your kids the best possible experience.

I could never have done it without my dedicated and skilled assistant, my granddaughter, **RACHEL,** I am so proud.

A final thought for my fellow parents and grandparents. Next time the permanent markers permanently mark the walls, the Play-Doh gets stuck in the carpet and the only thing the crazy glue seems to work on is gluing fingers together **SMILE.**

When your **KIDS CREATE** they offer an unequalled window into their precious **NESHOMOS.**

Encourage them.

Have a great year!

**MORAH DEBBIE BRACH**

## MUSIC & MOVEMENT

On **TUESDAY MORNINGS** we were all excited for some high-energy action at **MUSIC & MOVEMENT**. We started with our wacky warm-ups – boys, what’s that thing on top of your shoulders called? Your belly? No, **MORAH ALIZA** – it’s your **HEAD!** (I knew that...) After drinking a few cups of **WIGGLE JUICE** we did the **HOKEY POKEY**, danced the **CHICKEN DANCE**, and **HUGGED A TURTLE**. We even went on a **BEAR HUNT** a few times, but we didn’t manage to **CATCH A BEAR** this summer... oh, well. Other favorite activities were **SCARVES AND BEAN BAGS, THE PARACHUTE, AND GLOW-IN-THE-DARK LIMBO**. We ended off our sessions by putting on our **SHARK COSTUMES** for **BABY SHARK!** “It’s the end doo-doo-doo-doo” of our summer but we can do many of these fun activities at home until we meet again for **MUSIC AND MOVEMENT NEXT YEAR!**

## FUN WITH FOOD

**WEDNESDAY MORNINGS** found us in **MORAH ALIZA’S ROOM** for **FUN WITH FOOD**. Each session started out with a story connected to the **DAY’S PROJECT**, and after we completed our projects we **COLORED PICTURES** related to our theme. We made **FEELINGS COOKIES, EDIBLE BUGS, GRAHAM CRACKER KOSEL BEFORE TISHA B’AV, and FRUIT BY THE FOOT “FLOWERS” PLANTED IN CHOCOLATE COOKIE “DIRT” AMONG OTHER CREATIVE AND YUMMY TREATS**. As a **THANK YOU** to our mommies for sending us to the most **AWESOME CAMP** in the world, we made **TWIZZLER JEWELRY** for them accompanied by a **SWEET THANK-YOU NOTE**. (If we ask nicely, maybe **OUR MOMMIES** will share them with us!) It was a **SUPER SUMMER** and we can’t wait to see everyone again **NEXT YEAR** for more **FUN WITH FOOD!**

Have a wonderful summer!

MORAH ALIZA CAPLAN

We're the flying frisbes-we are bunk j2  
We love to run and play because that is  
what we do

We love simcha day camp that is very  
true

We are the flying frisbees we are bunk J2!

Wow, we can't believe how fast the summer has flown by! Throughout the summer we have had so many fun activities from Fun with Food to Boot Camp to so much more. Here's what a typical day in **BUNK J2** looks like:

We arrive in camp to see so many smiling faces sitting in our spot in the gym! First we have davening where **MEIR KOPELOWITZ** always davens so nicely. Then we have swim. **ASHI RASKIN** and **ALEX MLYNSKY** are amazing swimmers, they're like fish in the water! After we get changed into our second bathing suit, we go to art. **EFRAIM SCHWARTZ** and **SHIMON FRISCHMAN** always work very carefully to create beautiful pieces of art. Time for Rebbe, **HILLEL ROSENBERG** and **JJ SLANSKY** listen to Rebbe's stories so beautifully. Next, we go to sports clinic where we learn to play sports with Coach Rada. This is where **ARIEL AVIGDOR** and **MOSHE KRISCHER** shine. Off to boot camp we go! No one loves the obstacle courses as much as **JAKY GROSSMAN!** Now it's time for lunch. The camp provides so many yummy lunches for us to eat. We love listening to **JACOB GREENBERG'S** funny stories during lunch. Soon it's time for second swim and then playground. **ISAAC GROSSMAN** and **YONAH ROSENBERG** love running around the playground and playing tag and hide and seek. After playground we go to the playroom. The Juniors playroom has so many fun toys for us to play with! **IZZY TAUB** has so much fun playing with the toy cars and building with blocks. We have so many fun things to do in SDC that they don't all fit in one day. Some of our other fun activities include sensory room where **DOVI MERNICK** and **ARON GALATZ** love to play with the rice and kinetic sand. They are always careful not to make a mess. Playing with Coach Sokol is always so much fun! **DAVE EREZ** and **ADIR SHALOMOV** always cheer so nice and loud for our team (**SPAGHETTI AND MEATBALLS!!**). Fridays we have an extra special activity, Fun with Food! All of the boys in **BUNK J2** love making yummy art out of food, especially **HILLEL GOLDBERG**. He always has a huge smile on his face!

We cannot believe that camp is over for the summer. We really enjoyed our time with our boys, from playing together to talking to them and everything in between. We will really miss them so so much! It's been a pleasure being their **MORAHS** this summer!!!

Hatzlacha in school this year!!! We know you will do amazingly!

Love, the J2 Morahs,

MORAH DINI • MORAH SARAH

MORAH SHIRA • MORAH MIRI

The lyrics to our song:  
We are J3, the galgalim,  
We are rolling in the fun, here in camp  
thats how its done  
We are J3, the galgalim, and with morahs  
just like these, no other bunk can com-  
pete- go J3!!

When we walk in in the morning, we are greeted by **YOSEF BOLLAG** and **PESACH SEGAL'S** bright smiles as all of our campers come in for the day. Then as we daven with Morah Etty, **MOSHE ELI YIFAT** and **YAKOV ROSENFELDS** voices can be heard from all the way down the hall. As we make our way up the stairs, **NACHI HOLZBERG** and **NATAN BERKO** keep their hands on the wall the entire time just like we ask them too. Yay, now we are heading to fun with food with Morah Aliza, **SIMCHA KOPEL** proudly making his project so nicely; while **BINYAMIN YAKOBOV** munches on his tasty snack before we even get upstairs. Line up for swim! All our boys enthusiastically run down to the pool, throw their towels to the side, and jump in and have a great time! Once we're all nice and dry we head to sports clinics where Coach Rada awaits us. **SHLOMO WEIDER** epically throws the ball and **MEYER HIKIND** dives in and smoothly makes a catch, score!!! By the time we get to Rebbi they've all calmed down, while Rebbi tells us an awesome story **YOSSI NEUFELD** sits down nicely and **MOSHE NAIMAN** asks great questions. On to art we go, Morah Debbie and Morah Rachel always have such fun and creative ideas and the boys always have such a great time! We've all worked up an appetite, now we're on to lunch, **TZACHI RUBIN** and **MISHAEL JACOBS** can't wait to share their stories over a plate of fresh yummy food! After we're all full, we meet Morah Etty in the gym for line up where we sing our bunk song with pride. After they get back from second swim, **GADI NISANOV** can't wait to build the tallest tower, and **BEN JACOBS** can't wait to read all the story books camp has to offer. Last, but most definitely not least, we all run over to playground where **IZZY FRIED** and **BERISH DIAMOND** enjoy an awesome game of tag. As the day comes to a close, we all grab our knapsacks and walk down to dismissal, where everyone sits beautifully on the wall and enjoys a refreshing ices before we hop on to the buses, as we wave goodbye to **JOSEPH FARKAS** who walks so nicely to the carpool line.

What a great day, we can't wait to see everybody tomorrow – and next summer!

Thank you **J3** for being the most awesome bunk any Morah could ever ask for,

Love,

The busses pull up to **SIMCHA DAY CAMP** on one bright and sunny morning. We know our day has started when **URIEL KLEIN** greets us with a huge smile and a story to share. After having a blast playing on the bikes we all sit down to daven. **BEN HORN** stands out with his exceptional davening every single morning. We line up nicely and **MORDECHAI BERKOWITZ** makes sure to hold the door open for every boy as we head out to the pool. At the pool **SIMI TOMASCZEWSKI** shows us his super swimming skills and has even made it to the deep water! We march down the stairs and **BINYAMIN KATZ** is first to be changed and ready on line for our next activity. Then it's on to Rebbe, where **EZRA GRABIE** and **GAVRIEL SWERDLIK** sit so nicely as Rebbi tells us one of his fascinating stories. **JJ WEISS** is the best helper and eagerly helps Morah set up for lunch every day. **J6** knows how to clean up so well, and after every boy puts their plates in the garbage we all join in for a spectacular game of the floor is lava! **EZRA MERNICK** and **CALEV YAKUBAV** wow us with their awesome moves! Coach comes next, and **AJ FUCHS** impresses us with his athletic abilities. Our day continues with second swim, playground, and jungle gym. When all the boys are packed up and ready to go home, Morah reads a story out loud and **MOSHE LOEB** and **ALEXANDER HIRT** are sure to be sitting quietly the entire time. It has been another fabulous day in bunk **J6** and the boys happily pile on to the busses, ices in hand, ready with excitement for another day in **SDC**.
