SUMMER 2023

ISSUE #1

JUNE 29, 2022

Is the first week of camp over already?!?! Wow! Time FLIES when you're having fun! And the boys in **Simcha Juniors** are having lots of fun!!

Rebbi, art, swimming, ball, jungle gym, unbelievable playgrounds, sport specialty, baking, movement, and specials are all the activities that keep us FLYING around camp.

Eric and his crew of lifeguards have us swimming in the pool twice a day. Some boys even took the deep water test already. All boys need swim shoes and 2 bathing suits daily. Sitting at the pool is very wet!!

Morah Debbie had the Art Room humming with activity. Is it a bee flying around? Nope it's the Juniors busy as bees creating masterpieces!

Morah Gilana our specialty Morah has many special activities planned for us. Noodle Building, speed boat racing, we can't wait!!

This week we enjoyed a **Live Game Show**. We all got paddles to choose the right answer. There was 2 teams but really everyone was a winner!

The fun keeps on **Flying** in the **Simcha Juniors!**

Good Shabbos,

Morah Etty

Juniors Rebbi Dvar Torah

It's great to be back for another summer of learning Torah with **Simcha Day Camp Juniors!**

To begin with a double
Parsha, Parshios Chukas - Balak,
gave us many opportunities.

We began with learning about the mitzvah of Kibbud Av Va'eim! What do you do if you want Shabbos Party and your Mommy and Daddy are napping?

What did Dama do when he had a chance to sell a precious stone for lots of money?

Ask your son what he would do.

This tied in to **Parshas Chukas** since Dama's reward was a Para Aduma!

This week's second **Parsha, Parshas Balak,** teaches us about the power of words. King Balak hires Bilaam to curse the B'nai Yisroel. Of course, Hashem does not let him. Instead he's forced to say only good things about us! We always try to use the nicest words!

Have a great Shabbos!
