SUMMER 2023

ISSUE #4

JULY 21, 2023

It's hard to believe that half a summer has FLOWN by!!!
Time really FLIES when you're having fun!!!
And the Juniors are really having fun!!

The sport of the week was kickball. Kicking the ball and running the bases took lots of coordination. Kickball is almost like baseball but we're using our legs instead of a bat!! Sport pros we are becoming!!!

Special activities had us making oobleck and bubbles.
Watching the oobleck come to life was great!!! Of course what's more fun than blowing bubbles and were some of the bubbles huge!!!

We love Art!! Painting airplanes, decorating masks,
making Tzedakah boxes and so much more!!!

We can't forget about our trip to the bowling alley. Did you see those cute campers in their camp sheets and special Simcha Juniors caps?!?! They were rocking the bowling alley. Spare!!! Strike!! and the top score went to.... All the Juniors! A great time was had by all.

The Junior's also enjoyed Warren Levy. They came to camp and did exercises and played games with us. Following instructions and learning how to do be disciplined while having fine!! Wow!!!
The 10's will enjoy Warren Levy next week IYH.

We hate to say good bye, but some of our dedicated counselors are leaving. We will miss you!

Have an incredible Shabbos!

Juniors Rebbi Dvar Torah

We began our week learning that everything comes from Hashem! In our Berel and Shmerel story we heard how Shmerel switched the loaves of bread proving that whatever Hashem wants to happen, will happen.

In another Berel and Shmerel story (about 1500 years later) we learned about treating each other respectfully. We also heard a story about a man who thought he was in charge, but once again he learned that Hashem controls the word.

Have a gevaldig Shabbos
