# DIRECTOR RABBI TAUB

As the buses pull out for the last time this season, many conflicting feelings envelope me.

On one hand, I reflect on the massive amounts of **PUMPING RUACH** we have experienced throughout the past weeks. The hilarious **DRESS UP DAYS, THE SHOWS, the CRAZY LUNCH challenges, the GIANT SLIDES at CARNIVAL, the AMAZING TRIPS, the OVERNIGHTS, the FAKE-OUTS, SPORTS, LEAGUES and SWIMMING**, and how can I forget the greatest **MOISHE TISCHLER CONCERT** and **COLORWAR!** Whew! All these events experienced with just the right amount of competitiveness, excitement and middos that are a trademark of **SDC**. Every camper has grown in their own way, whether in **SPORTS ABILITY, SWIMMING LEVELS** or **CONNECTION TO HASHEM** and **LEARNING HIS TORAH** in our **LEARNING GROUPS**.

At the same time a feeling similar to sadness creeps in, whispering that the **SUMMER IS OVER** and that all the fun is gone. I won't be greeting **24 BUSES** of **EXCITED CAMPERS** each morning as they **RUSH INSIDE TO DAVEN, LEARN AND PLAY**. I won't be able to meet the most **AMAZING HEAD STAFF, RABBI MEYER, RABBI POLTER, CHACHAM ZEDNER, RABBI SAMET, DONNY RUDANSKY, and RABBI HILDESHAIM** every morning to plan **EACH DAY'S CRAZINESS**. I won't be able to **WATCH CAMPERS** and **STAFF LEARNING** the **TORAH OF HASHEM** under the guidance of their dedicated **RABBEIM** and **RABBI ROSENBERG**. I won't be able to meet **MORAH ETTY** and to eat her baked delicacies (my dietician wants his money back) and

**MORAH ESTIE** and her **KIDDOS (10 MONTHS!?)**. I won't meet our amazing office staff, **MRS. RUBINOFF**, **MRS. SULEYMANOV** and **MS. DANESE** who handle the daily craziness with aplomb (it's a word, look it up), I won't hear **RABBI KLEINMAN** reminding us to drink, drink, drink! I won't be greeted by **EVERETT** and ffffiissssst busssss innnnnnn. I won't see the cutest, most adorable and creative **ARTS & CRAFTS PROJECTS** created and instructed by **MRS. BRACH** and **MRS. ROSS**. I won't see campers learning new **SWIMMING SKILLS** under the tutelage of **MR. ERIC MASLIN**. I won't be able to appreciate how well **RABBI KRASNOW** takes care of our **9 ACRE CAMPUS** daily. I won't watch **HILLY GOLDMAN** run the canteen and **YOSSI REISMAN**, **REPHAEL MILLER** and **SHIMON GERSHON HOROWITZ** serve as our waiters. And last but not least, I won't be able to eat **YISRAEL CHAIFETZ'S** delectable food any more. A huge thank you to **RABBI SUDWERTS** who deals with all issues from buses to drivers to trips and entertainers. Across the board the most capable and underappreciated person I've ever met. Thank you all for an amazing summer!

One thought breaks through the clouds and puts a huge smile on my face. In only **10 MONTHS** we will **MEET AGAIN!** These **36 DAYS** of fun will keep us ignited for the next **325 ODD DAYS OF SCHOOL** and get us ready for **SUMMER 2024** in Yerushalayim!

Can't wait!

*SDC, I love you so, how I wish you'll never go..."*

Oops, I didn't see you there! I was just humming one of my favorite SDC alma-maters.

It's so hard to say goodbye to **SUMMER 23'**! I'm gonna miss everyone soooooooooo much!!!!!!!!!!!!

I feel like I'm starting to sound like a broken record since I say this every year, but, honestly, for real, I truly believe this was the absolute **BEST SUMMER EVER!!!!**

The most amazing, cute, talented campers and the bestest, caring, devoted, hardest working, do-anything-for-their-campers staff, you guys are what makes this place so great! A very special shout-out to the bus counselors!!!! I know, I know... Dunkin!

I am so lucky to work together with the most awesome, dedicated, talented, devoted head staff in the entire universe! **RABBI TAUB** puts his heart and soul into every single aspect of camp, **RABBI POLTER** is the hardest working, most under-the-radar head counselor I have ever seen. **RABBI SAMET** cares for each and every camper as if they were his own children. **DONNY** is the schedule KING!! He has far surpassed my wildest expectations in planning the best daily fun in the sun. **RABBI HILDY** in the Buildy rocks the dining room day in and day out. **DOVID Z** brings balance and clam to the Seniors like no other. **YAAKOV SHAP** has taken the **40'S** to another level with his all-around incredibleness. **RABBI MEYER** has a special talent, cultivating life-long relationships with his diverse group of **CITS**. **RABBI ROSENBERG** sets the tone for the day with running a flawless learning program so our campers can keep up their shteiging and be ready for the school year. **MORAHS ETTY** and **ESTIE** care for our **JUNIORS** with mommy-like love and

devotion, tending to the every need (and occasional boo-boo) of our little guys. **ERIC** runs the most organized, efficient and fun swimming pool on planet Earth. Not to mention how WET it is! It's amazing to see the campers advance from level to level under his watchful eye. Our bellies are filled to capacity every day with **YISROEL'S** delicious delicacies, made with love and care. I must have gained 30 pounds this summer! The office staff are the backbone of **SDC, MORAHS RUBINOFF, SULEYMANOV** and **DANESE** cross every T and dot every I so the rest of us can focus on the fun stuff. **MRS. WHITE** makes us look so good every week in our gorgeous Scoop and eye-popping flyers, and **MRS. BIENENSTOCK** defies all the odds (and copy machine woes) to make sure we get them out to you guys with laser-like proficiency.

There is so much to recollect, the amazing trips, awesome special days, heart throbbing color war.

**CHEVRA**, I promise you all I will do my best to match this incredible, best-ever summer and maybe, just maybe, **SUMMER 24'** will be even better!!!! I've already started planning and preparing...

Can't wait to see you all here, have a great year and keep singing those alma-maters!

## ***SDC Nurse's Office***

*BS"D*

*Menachem Av 5783*

To My Dear Simcha Friends:

It was my honor and privilege to serve you this summer in the SDC Nurse's Office. I am thankful to the Ribono Shel Olam that, for the most part, we all enjoyed a healthy and safe summer. That gave all of us the opportunity to enjoy the outstanding camping experience here at SDC, without disruption.

I have been in camping all my life. I have attended the best and well-known camps as a camper, staff member and administrator. I have to say that after many seasons here as a Healthcare Provider and Head Staff member (and as a Parent of some very happy campers!) – Simcha Day Camp has truly distinguished itself as a camp that consistently has reached new heights in summer camping, season after season.

The outstanding staff of talented and responsible young men, the hard-working kitchen staff, along with the masterful and fun-filled leadership of Rabbi Taub, Rabbi Sudwerts and Rabbi Polter and the entire Head Staff Team – all in an atmosphere of uncompromising *Yiras Shomayim* – all combine to give the kids at Simcha an unforgettable and wholesome summer vacation with a lifetime of great memories to savor. I am proud to be part of it.

I wish you all *Hatzlocha* in the coming year and best wishes for a *Kesiva V'Chasima Tovah*.

Enjoy The Memories, don't Forget to Drink and Stay *Gezunt*,

# MIDZ HEAD COUNSELOR

I would like to first express my gratitude to **HASHEM** for allowing me to work in the greatest day camp in the world, **SDC!**

I would like to start off by thanking our fearless leaders **RABBI TAUB** and **RABBI SUDS** for forgiving me the privilege of running the **MIDZ DIVISION**, the greatest division in camp history. **RABBI TAUB**, you get the credit for the most frequently asked about person on camp. Not a day goes by when a camper didn't ask me, "Is **RABBI TAUB** coming to the dining room?" **RABBI SUDS**, the **MIDZ** have a blast every year and it's all thanks to your behind-the-scenes diligent planning, scheduling, organizing, and booking of everything in camp from A-Z!

**RABBI POLTER**, I need to start with the staff, because YOU put together a great one. And everything else you help me with. I know I can always lean on you and you'll never fall over. "Radio check!"

I would also like to thank our amazing office staff. From bunk Lists to last minute bus changes and everything in between, you are the heart and pulse of the camp.

**SDC** wouldn't be what it is, without our amazing swim program led by **AQUATICS DIRECTOR ERIC MASLIM** and his amazing lifeguards. Thank you so much for giving our campers such an amazing swim program!

Of course, the **MIDZ** wouldn't be the greatest division in the world without the ones who primed and developed our campers to be ready for the **MIDZ** division, and that is **MORAH ETTY** and **MORAHS ESTIE** of the **JUNIORS!** We love our campers, and we know they're great because of all the great work you did with them in the **JUNIORS!**

The **SUMMER OF 2023** flew by so quickly with so much fun and excitement happening in the **MIDZ DIVISION**. Camp started

## MIDZ HEAD COUNSELOR CONTINUED...

with **BLUE DAY, CRAZY CHOLENT DAY, THE LIVE GAME SHOW** with **YISROEL ERPS**. It was a jam-packed start to the summer. As the summer continued and leagues got under way, friendships continued to form between campers and counselors.

But also, the historic rivalry between the **20S** and the **30S** really got underway. And I must stop here and give thanks to 2 incredible **DH'S**, **RABBI HILDESHAIM** aka **RABBI HILDY** in the buildy, and **DONNY ("30S GO HOME") RUDANSKY**, for making my job as **HEAD COUNSELOR** of the **MIDZ** so much easier by being great **DH'S** and running the **MIDZ** so successfully. From **RABBI HILDY'S** wacky hide and seek late night to **DONNY'S** triple court elimination, nothing happening in the **MIDZ** is ordinary and extraordinary is the standard.

And the legendary **20S-30S** rivalry continued, first with the **30S** beating the **20S** in the annual staff kickball game, thanks to **DONNY'S** wicked gyroball pitches. In the ultimate competition though in this sacred rivalry of "This Side- That Side", IYKYK, the **20S** rallied back from down 4-2 to beat the 30s 5-4. So many fun games. Giant Jenga was classic, and the effort in the frozen t-shirt competition was truly epic.

The summer continued with more and more fun for the **MIDZ! CARNIVAL, RED DAY, ADVENTURE LAND, CRAZY HAT DAY, BACKWARDS DAY, LATE NIGHTS, BOWLING, LEAGUES, SEASONS EXPRESS TRIPS, SIMCHA BUCKS, AUCTIONS, RAFFLES, KEPT THE MIDZ** super busy and that was all just the **FIRST HALF**.

The **SECOND HALF** started with a bang as the **MIDZ BOWLED** for Chai Life line and raised tons of money. It continued with lots more to do. From **TIE DYE TO GREEN DAY, AND CONCERT AND PIZZA PARTIES, AUGUST WAS FLYING** by so fast it seemed like camp was coming to an end. But just then, the shocking **COLOR**

## MIDZ HEAD COUNSELOR CONTINUED...

**WAR** breakout was announced. Teams of Red and Blue started battling it out, culminating with the greatest **GRAND FINALE** in **SDC COLOR WAR** history. Both teams gave it their all with epic songs and performances. I can't imagine how anyone can top it next year. Oh well. I guess no color war in **2024**.

I almost forgot about a great season of **20S LEAGUES**, culminating with a **WORLD SERIES** matchup of two titans, team **ISHAY RIBO** (#1 seed, coached by **ADAM BABAYEV**) and team **MBD** (#2 seed coached by **MEIR FISCHER**). Although they were the top two seeds, their paths to the **WORLD SERIES** were anything but easy, with both teams relying on walk-off rbis to catapult their teams to the **WORLD SERIES**.

And that leads me to thanking an amazing staff of **COUNSELORS** in the **MIDZ DIVISION**. Day in and day out you took care of your bunks to the best of your abilities and that's all I can really ask for. When I hear how your campers talk about you guys, I know it's because of the time and effort you put into making sure each and every camper is taken care of. Thank you for being at our daily meetings. It was a great opportunity for us to all bond together. Let's continue to keep that bond strong.

And what would a **MIDZ DIVISION** look like without the **GREATEST CAMPERS** in the world. To the **30'S CAMPERS**, you are of course always welcome back to the **MIDZ**, you know you're going to miss us. And now that the **20S** will have graduated to the **30'S**, I guess they will have to get used to "going home"!

Looking forward to seeing everyone in **SDC 2024** Yerushalayim

Sincerely,

*Rabbi Yeshaya Samet*

# FROM THE DESK OF THE 20'S DIVISION HEADS

Dear Rockin' 20s,

You are all probably wondering who in the world is this guy who is writing an article in the yearbook as the **20S DIVISION HEAD?!** I've never seen him in camp before!!! Well the truth is...I'm NOT the **20S DIVISION HEAD!!** But...I am a former (well, for now former) member of one of the greatest camps ever to exist on planet earth!!!!!! Heeeeellllllloooooooo siiimmmmmcccchhaaaaaa daaaayyyy cccaaammppp!!!!!! It is I...the one, the only.....**SHMUEL LEFF!!!!!!!!!!!!!!** For those campers who still have no idea who I am...I used to (well for now used to) be in camp! But this year I was in yeshiva in Eretz Yisroel for most of the summer...so...unfortunately I couldn't come to work in camp this year!! But...don't worry...I'll be back...!!!!!! Now on to what took place in **SDC** this summer!! You are all probably wondering how in the world is this dude going to now talk to us about our summer in camp if he wasn't even in camp!?!? Well...the truth is...I don't really know about what happened in camp!! But...I do have a hunch!!!! You guys played lots of sports like **BASEBALL, BASKETBALL, SOCCER, HOCKEY, VOLLEYBALL, DODGEBALL,** and lots of other sports!! You guys had leagues with the greatest coaches of all time!! You guys went swimming in the famous **SDC POOL!!** You guys went on trips to **ADVENTURELAND** and Luna Park!! You guys had "**THIS SIDE**" and "**THAT SIDE**" tournaments against the **30S!!** And I'm assuming that the rockin' **20S WON** ultimately!! Am I right!?!? You guys had **CRAZY HAT DAY, BACKWARDS DAY,** and **ADAR IN AUGUST** amongst other **WACKY DAYS!!** You guys had different color days!! You guys had amazing special activities!! You guys had a **COLOR WAR!!!** WOW!! I must be getting all these assumptions correct!!! You wanna know why I'm most probably right?!?! Well it's because I've been in camp for so long (except for this year), therefore I know the camp so well!!!! Anyways, I just want to say I really missed being in camp this year and I'm looking forward to being in camp next year BZ"H in a hopefully new capacity.....A.K.A. **THE 20S DIVISION HEAD!!!!** BZ"H NEXT YEAR **SDC 2024** IN YERUSHALAYIM!!!!!!!!!!

WOW!! WOW!! WOW!!

Doesn't it seem like the good times go by too fast

Yeah, I wish time would tick a little slower

Sometimes it feels like I blink and then it's over

Better soak it in, better make it last

Live it up while we can 'cause the good times go by too fast

As the summer ends there are a few people I would like to thank.

Obviously the first is Hashem for not shutting down camp due to the air quality even if we had one day we had to wear a mask and get a vaccine from the turkey injector!

2nd is the **JC'S** and **CIT'S** that made the summer amazing!

Thank you **MOSHE, JJ, AVISHAI, EZRA AND SHMUEL!**

3rd is to the head staff from **RABBI HILDY** to **RABBI POLTER** and **SUDS** too.

And of course you have the board of leagues commissioners led this year by lieutenant **CHAIRMAN YAAKOV SHAPIRO (YAAKOV** you can run from being in cw but you'll still be a lieutenant). The board met at all hours of the night yes sometimes even at 4am (yes again this year) so thank you board members.

Now that we got all the thank yous put of the way.... Let's talk about

The **174** cans of soda given out throughout the summer

The **1.2.3** game

Who can forget all the Simcha bucks we had

And anything and everything else that we did during the summer

I wish every **20'S** camper much Hatzlacha in **2ND GRADE**. My bunk and anyone from any other bunk should take advantage of Rabbi Samet being on the YOSS campus on a daily basis.

Iyh YOSS and all other yeshivas will be relocated to ירושלים by the time Yeshiva starts!!

# FROM THE OFFICE OF 30'S PRESIDENT DONALD J. RUDANSKY:

What a truly unbelievable summer! It's such a great privilege to be able to come to this camp every summer! While most of my friends are stuck in an office building, studying for the LSATs, or studying the effects of nitrogen emissions on red tomatoes, I get to spend my summers in the greatest place on Earth- SDC! What an unbelievable blessing it is to come here each year. I really could not imagine being anywhere else. From its olympic-sized swimming pool to its 5 star sports campus - Simcha Day Camp can not be matched. As the school bell signals the close of homework, deadlines, & studying, the sun shines bright on the lush baseball fields, crystal blue pool water, smooth promenade concrete, & towering bunkroom building of SDC. The joys, laughter & cheers of the young lads usher in another sensational summer at SDC. It is a summer oasis that fills our campers with yearly vigor. The fun that spills forth from this place brings forth a reinvigorating spirit of happiness and joy unmatched amongst the yearly occurrences and events that are part of the yearly cycle of life. The summer in SDC is like no other. All the non-SDC humans look towards SDC for guidance. With deep awe and admiration and a small sense of jealousy they wonder how a day camp nestled within the confines of Far Rockaway can reach such towering heights of greatness. They are bewildered at the magnificence of SDC's campus and program. Oh, SDC, how can one be so great and allow for such deep happiness and joy. Please bring us into your talons, they plead. Alas, only the very fortunate ones are allowed to experience this profound feeling of ecstasy and joy.

Summer 2023 was one for the history books! What an honor to be the Division Head of the 30's division! There were over 100 kids in this division but you each really had your own unique and fun personality. I really enjoyed swimming and running activities with you guys. You guys were a lot of fun and I am really going to miss you guys!

## INTERMEDIATE DIVISION HEAD CONTINUED...

Thank you Rabbi Taub and Rabbi Sudwerts for giving me this opportunity and running, what I definitely believe is the greatest camp around! It's really an amazing and fun-filled summer! Most camps need to bus to different places but we have everything right here on campus! A HUGE thanks to Rabbi Samet - Head Honcho, Maestro, commanding Wizard of the MIDZ! Thanks for always being on top of things and making sure things ran smoothly, & for your sagely wisdom and knowledge! Thank you to Rabbi Polter for all that you do in camp! SDC runs on Rabbi Polter's clipboard! Thank you Rabbi Hildeshaim for all the fun & hype! SDC 2nd half is truly not the same as SDC 1st Half! We miss you! Chacham Zedner - great job mixing it up in the upper divisions! What a great addition to the Head Staff with Yakov Shapiro! You're probably the most upright person I know! BIG shout-out to King of the CIT's AVROMI MEYER! I get to work with this man the whole year & it's mamish poshklique! A HUGE thanks to my really amazing assistant! - Shlomo - you were a big help! Big thanks to MasterChef Yisroel Chafetz for the amazing food! And big thanks to Mr Eric Maslin and the lifeguards for taking care & nurturing SDC's prime jewel - the olympic sized swimming pool. The truth is, what brings me back each year to SDC is this amazing pool. Thank you to Morah Etty and Mrs Samet for all your help - it's great working with you! Also, big Thank You to the people of the office - Mrs Bilhah & Mrs Rubinoff!

Last, but not least- what a really amazing 30's staff this summer! You guys were a really fun and helpful bunch! You guys were amazing! Not only was my job a whole lot easier because of you guys but you also made my job a lot more fun! I really truly enjoyed working with all of you this summer! I hope to keep in touch and see you guys next year! And to those off to Israel, enjoy and have a meaningful year in Israel!

It was really an amazing and fun summer! Will miss you guys! Next year in Jerusalem!

## FROM THE DESK OF YAAKOV SHAPIRO

After another unbelievable summer in the best camp on earth, in the best division in camp, it's time to thank all those people who made it so amazing. But first let me explain why we had so much fun in the 40s. We enjoyed many special activities such as: the **CARNIVAL**, **OLYMPICS** (congratulations Croatia (B43) on winning Gold), **PAPERCLIP CHALLENGE** (congratulations B41), the **BALLOON GAME**, and so many more. We also had an amazing time on our trips to **LAUNCH**, **RYE PLAYLAND**, **BOWLING**, **DREAMWORKS**, and fishing (uh, I mean) **BATTING CAGES & MINI GOLF**. And of course the everyday-scheduled activities: swim, leagues, sports, computers, were a blast! (Btw, congratulations to **B42** and **B43** for winning the swim competition.)

Thank you **RABBI TAUB** and **RABBI SUDWERTS** for this amazing camp, **CHEF YISRAEL** and the **KITCHEN STAFF** for all the amazing food, the **office staff** for everything they do, and the entire **HEAD STAFF** for their tireless efforts to make this camp the best it can be.

And finally the 40s staff for making it the best division in camp:

**SHMUELY ALTMAN**, your experience and expertise served as an example for the whole division.

**YOELI SAUER** you showed a high level of responsibility and great attention to every detail.

**YISROEL MEIR WEISS**, your maturity and manners were a great example for the campers.

**MOSHE POTASHNIK**, your leadership and energy overflowed onto everyone else.

**YAAKOV KARFUNKEL**, you showed great care and devotion (and thanks for the entertaining questions on the chat).

**SHLOIMY HERSHKOVITZ**, you took care of the bunk single handedly while Moshe was 'out'.

**REUVEN STATFELD**, your organizational skills made my job a lot easier (thanks for taking over leagues).

**SHUA WEISS**, you gladly took care of whatever was needed (thanks for the bedtime stories).

**MOSHAV MAXWELL**, your responsibility and kind-heartedness gave your campers a great experience.

**SHLOMO TAUB**, your fun personality and dedication was experienced by your campers and valuable to our division.

**AVRAHAM ROSENBERG**, your sports talent raised the level of competitiveness in the leagues.

Dear Bunk 41,

As I walk into the bunk room each day, I know I wouldn't have it any other way. With the great middos and achdus our bunk has within, I now realize how great this summer has been. The trips we've gone on and the activities in camp were fun, but best of all was when we were out in the sun. Each boy brings something special in their own way, I will surely miss you boys in a few days.

With our **JC'S YOELI** and **YISRAEL MEIR** we really thrived, without them I'm not sure the bunk would have survived.

**MOSHE ALPERT-** When I see Moshe I'm on alert, because he always wears a cool shirt.

**URIEL COHEN-** It's great to talk to Uriel for a few minutes each day, because he always has something great to say.

**ELI FRIEDMAN-** Eli is always where he's supposed to be, he's nice to everybody especially me.

**SHRAGI KLIEN-** We all know that Shragi is everybody's buddy, I think I know why!! It's because he's really funny.

**IZZY LEIBOWITZ-** You can always catch Izzy with a big huge smile, it's a sight that can be seen for miles and miles.

**GAVRIEL LEVINE-** Gavriel, wow!! You are very athletic, on top of that you are really energetic.

**CHAGAY LIPKA-** Chagay's middos are truly the best, better than all the rest.

**ELI ORATZ-** When Eli plays ball, he never makes a bad call.

**AARON POLLOCK-** Every day Aaron comes to camp, he always makes

# B41

sure to be a champ.

**SHUA PROFESORSKE-** Shua is always very nice, when asked for a favor he never has to be asked twice.

**ZEV ROSENBERG-** It's really great to have Zev around, near him happiness can always be found.

**AVI ROSS-** Avi's positivity is truly amazing, It is surely worth praising.

**NOSSON RUBIN-** Nossan's a great friend to all, especially when playing ball.

**MOSHE SHLACHTER-** If there was a contest for who always goes to swim, I'm sure Moshe would win.

**AARON TAMIR-** During bentching Aaron is very loud, for that I'm very proud.

**ASHER ZELIG WEINGARTEN-** Asher is great at sports each day, he truly knows the way.

**DOVI WEISER-** Dovi is very good at all, he truly knows how to throw a ball.

**ROEY WILLIG-** Roey we know is a really good friend, he is reliable and upon him anyone can depend.

**YISROEL MEIR WISOTSKY-** It is true that Yisroel Meir is one of the crew.

It's really a bummer that it's the end of the summer

Have a great school year!

Your Counselors,

**SHMUELY, YOELI AND YISROEL MEIR**

I am sad to say that **SUMMER 2023** in **SIMCHA DAY CAMP** is coming to an end. We shared many awesome moments with the most amazing campers. Some of the moments are **COLOR WAR, RYE PLAYLAND, GREEN DAY, ADAR IN AUGUST, LEAUGES**, going on a **FISHING TRIP** which didn't happen, going to the **BATTING CAGES** and **MINI GOLF**, and so much more. It's very sad to have to leave the **BEST CAMP** in the world and enter the cold long winter. I wanna give a massive shout out to all **MY CAMPERS** who made the summer an absolute blast. **YOSEF AKILOV, ELIAHU MOSHE ALISHAEV, NOAM BASCH, YEHUDA ARYEH ENGELSON, YONAH GALLER, YITZI GUTTMAN, LEVI HERSH, SHMUEL KADRY, SHMUEL LADER, CHAIM MEIR LAPIDUS, ARI LAUFER, YEHUDA LAVNER, YONATAN MANDEL, LIAM SHMUEL MASHIACH, YISROEL MEISNER, AVI MIKHLI, JUDAH MILLER, ABE MORGULIS, AZRIEL MOSKOWITZ, ARYEH PORTAL, TZVI ROSENBERG, DOVI SAUNDERS, BENNY SCHREIBER, YITZY STATFELD, AARON WINOGRAD, AND LAST BUT NOT LEAST GABRIEL ZILBERMAN.**

...And without a doubt nobody can forget our wonderful **JC SHUA WEISS!!!!!!!** There are no words to describe him, just applause. And our **CITS** who were exceptional. With camp now over I ask one important question, **WILL YOU COME BACK TO SDC NEXT YEAR?**

# B44

As I step off the bus, on my first wonderful day, I know that excitement, and adventure await. Swimming, sports and sunshine, as far as the eye can see, we have it all here, at SDC. At the stroke of 11, I head up the stairs, into the bunkroom, but there's no one there! As shock and amusement, enter my brain, I wonder if I've started, going insane. I skip down the steps and try to remember, where would I be, if I was a camper? In a flash the answer, comes to me, in the playground of course, where else would I be? So down the stairs, I speed and I run, and there I scan, all the kids having fun. Only one face sticks out, in this wonderful scene, the shining countenance, of **YEHUDA KRASNOSHTEYN!** With one camper down, I try to keep my cool, as I head next door, to our Olympic sized pool. Through tons of splashing, and swimming laps, there's **ELIYAHU JACOBY**, and **MENASHE DACHS**. Now I'm headed to the one stop shop, for all of your needs, yes of course I'm talking about, the awesome canteen! I scan the campers, waiting in line, and quickly spot **YOSEF SCOP**, and **NOAM YADAI!** I hop the fence, to the field of baseball, just in time to see **ELYA GOLDMAN**, give it his all! As the ball sails overhead, past the parking lot, I follow it down, to the Blacktop. When what to my wondering eyes, should suddenly appear, but **DOVID KOPPEL**, throwing dodgeballs like spears! Then into the hockey court, I gaze in amazement, as a blur breezes by me, in total ablazement! Handling the puck, with ease of the sport, **YISHAY RUBINOFF**, is the king of the court! I quickly move, next door to the gym, where I see a shot spin, on top of the rim. Round and round, the shot finally sinks in, with **YOSEF BADALOV**, it's always a sure win! Out the other door, I quickly run all, the way to our court of the volley of ball. There I find **MEIR SPERO** spiking it over, into the waiting palms, of **BUBBLES**

# B44 CONT.

**(MAOR) KLOPPER!** Next I'm off to the game, of football with high scores, and watch as into the air, the pigskin soars. Right before the offense, can make the catch, **TZVI KOZLOWITZ** dives, and makes the snatch. Swinging around, to the gaga pit, I see three campers, running around quite a bit, **BINYAMIN ARANOV, YOSEF ABRAMOV** and **ETHAN GOLD**, at war with each other, using water ice cold! Sitting on the steps, surrounded by his peeps, is **AVRAHAM ROSENBERG** our beloved JC! The only staff member, to stay the whole summer, so sad that camp's over, it's really a bummer! Besides the campers, surrounding the steps, there's a game going on, that's really intense. As the ball flies around, in a competitive suicide, the game is run by **AKIVA BARNETT**, and **ARYEH KLEIN!** As I look around, still missing a few, I shake my head, not sure what to do. If they're not playing, with balls and bats, they're probably exploring with **AVI ROSENBERG** and **AHRON KATZ!** Next I head downstairs, in a much lighter mood, as I smell the wafting aroma of camp's delicious food! I head to the table and find pizza slices, and **YEHUDA OSTAYEV** and **MOSHE CHAI UNGER** eating ices! Now with one Camper left, I know what to do, I head back upstairs to the bunkroom. Wrenching open the door, I'm less than shocked to see, my very last camper **DANIEL DORI!** The relief that I feel can only be equal, to the number of words, I'll write in the sequel. Now that we are, united together, I can finally speak, to all of my campers. Camp was so fun, it's been a real treat, especially the watermelon, which was oh so sweet. But all jokes aside, I wasn't so sure, how this summer would go, my first as a counselor! You've all been great, listening all the time (mostly), can't wait to see you next year at **2024 SDC!**

# RABBI POLTER'S EPIC JOURNEY AT SIMCHA DAY CAMP: A SUMMER FILLED WITH LAUGHTER AND LEARNING!

Hey there, fellow campers and awesome adventurers! I'm **RABBI POLTER**, and I had the most incredible time as the Head Counselor for **SIMCHA DAY CAMP** this summer. Buckle up, 'cause I'm about to take you on a wild ride through all the unforgettable moments we shared.

Let's start with our wild overnight trip to the **KALAHARI** and **DREAMWORKS WATER PARK**. I mean, who knew **WATER SLIDES** could be as thrilling as a **ROLLER COASTER**? The laughter and the camaraderie we experienced were like a tidal wave of joy, and those friendships? They're as warm as those **PIZZA SLICES** we shared together.

Ah, the **OLYMPIC SIZE SWIMMING POOL** – my daily slice of paradise! **ERIC MASLIN** and I were on a mission to make **EVERY SPLASH COUNT**. We swam like dolphins, did cannonballs that could rival a canon, and cheered each other on as we became poolside champions.

Now, let's talk **LUNCHTIME** – it was like a feast fit for champions. **CAMPERS** flocked to the dining area, and let me tell you, the way we devoured those delicious lunches, you'd think we were competing in an eating competition! Even Benching was roaring! But beyond the food, it was the shared laughter and chats that truly filled our bellies with warmth.

Oh, and let's not forget the unforgettable games of **WIFFLEBALL** and **PUNCHBALL**. We turned those **FIELDS** into our **PERSONAL**

**PLAYGROUNDS**, with **SWINGS**, **SLIDES**, and **DIVES** that would make any circus performer jealous. The cheers and high-fives were like music to my ears.

But the fun didn't stop there. We ventured into the mysterious **AREA 53** in Bushwick, where we let our imaginations run wild and embraced the strange and wonderful like a team of explorers on a quest for giggles.

Another off-site adventure that brought a new dimension of thrill – a visit to **Q-ZAR** in Carles Place! Transporting campers to an illuminated **LAZERTAG** battleground. With blasters in hand and hearts racing, campers navigated through the multi-level arena, engaging in heart-racing battles that left them with unforgettable memories and smiles that lit up brighter than the lasers themselves. And a chance to wind down in the **ARCADE** was absolutely splendid!

**LATE-NIGHT DOUBLE HEADER LEAGUES? PAPER CLIPS** and **SWITCH!** You betcha! The competition was fierce, the energy electric, and the laughter contagious. We played our hearts out, and win or lose, we knew we were champions of the **LATE-NIGHT FUN ZONE**.

Now, let's talk about the **OVERNIGHT BARBECUE**. Picture this: **SIZZLING WINGS, CRACKLING CAMPFIRE**, and **STORIES** that flowed like a river. The **MEMORIES** we made that night were like the best kind of s'mores – sweet, messy, and absolutely unforgettable.

So there you have it – my whirlwind of a summer at **SIMCHA DAY CAMP**. From **WILD WATER PARK ADVENTURES** to **LATE-NIGHT LEAGUES**, every moment was a **TREASURE**. Thank you all for being a part of this epic journey, and until next time, keep smiling, keep shteiging, and keep spreading the **CAMP SPIRIT!**

*Rabbi Polter*

# CHACHAM ZEDNER'S WHIMSICAL WONDERLAND: A ZANY SUMMER AT SIMCHA DAY CAMP!

Hey there, yidden! It's your wacky **DIVISION HEAD** for the **60S 70S**, **CHACHAM ZEDNER**, coming at you with a recap of the nuttiest, goofiest, and downright hilarious summer we had at **SIMCHA DAY CAMP**. Buckle up, 'cause this is gonna be a wild ride!

First off, picture this: an **OVERNIGHT ESCAPADE** to the **KALAHARI** for the first half and **DREAMWORKS WATER PARK** for the second half. We're talking **WATER SLIDES** that make your heart race faster than a cheetah chasing its tail! Laughs were as plentiful as knishes and pretzels, and friendships were forged in the midst of wave pools and lazy rivers. Can you say splash-tastic?

Ahoy, mateys! The **OVERNIGHT BARBECUE** was a feast fit for legends. We gathered 'round the **CAMPFIRE**, devouring scrumptious wings that were hotter than the sun (almost). Stories flowed like bug juice and the sizzle of the meat was our summer soundtrack.

Now, hold your **SWIMSUITS**, 'cause we've got an **OLYMPIC SIZE SWIMMING POOL** on our very campgrounds run by the one and only **ERIC MASLIN**. It was like diving into a sea of pure fun! We perfected our doggy paddles, floated like majestic swans, and, yes, even had synchronized cannonball competitions. **ERIC'S LIFEGUARD SKILLS?** Totally rad, dude!

Let's talk grub. **LUNCHTIME** became THE place to be. I mean, who could resist the mouthwatering delights that magically appeared before us? Our taste buds did the happy dance as we chowed down, turning lunch into a **CULINARY CARNIVAL** of epic proportions thanks to **YISRAEL** And **RONALD!**

Game on! Wiffleball and punchball and of course, in **SIMCHA DAY CAMP TRADITION**, **SOFTBALL**, were our jam. The **OUTFIELD** was a jungle, the bases were our treasure, all in the name of **WINNING** the **WORLD SERIES CHAMPIONSHIP**. High-fives and belly laughs were our currency, and boy, were we rich!

But wait, there's more trips! We hopped on a magical bus to **COUNTRY FAIR AMUSEMENT PARK** out on Long Island. **GO-KARTS** that made our stomachs flip like gymnasts, games that tested our aim (and patience), and **BATTING CAGES** that let us knock one outta the park. It was an **AMUSEMENT PARK** dream come true!

And brace yourselves, folks, 'cause we took a wild ride to **AREA 53** in Bushwick. Aliens? Secret experiments? Nah, just some good ol' wacky fun that had us talking and laughing 'til our sides hurt. With good chassidishe disco tunes brought to you by the DJ himself, Who knew that Brooklyn escapades could be so side-splittingly goofy?

Even foreign dignitaries wanted in on the fun! The **PRESIDENT OF PERU** couldn't resist joking with us for our celebration of **PERU NATIONAL INDEPENDENCE DAY!** He came in style with a siren escort and black SUV, straight classy if you'd ask me. He addressed us in the Diamond Beis Medrash and broke out color... just kidding. You fell for it again, didn't you? I know you did!

Have you seen the biggest needle ever? Because I think I have when the department of health came to talk to us about air quality. I'm sure this is normal. Very normal. Either way I'm scared of shots, no matter the needle size. But you know know what's scarier? **COLOR WAR BREAKOUT.** Not really but I would like to think so...

**LATE-NIGHT DOUBLE HEADER LEAGUES** brought out our inner champs. We swung, slid, and somersaulted (okay, maybe not that last one) under the setting sun, bonding over outrageous victories and even more outrageous defeats. The scoreboard may have shown who won, but our laughter was the real prize.

Now, let's talk pets. My sidekick, **ZANVIL** the seagull, stole the show with his squawks and antics. "Bgaah" became our rallying cry, and **ZANVIL'S** surprise appearances couldn't really be anticipated. Brave yourselves for a jump scare!

Who knew a simple trend could make waves? Camelback backpacks became our fashion statement, making us look cooler than a cucumber in a snowstorm. And as for my shades, well, I rocked those bad boys indoors and out, 'cause who needs walls to shade your peepers?

Last but not least, our **SUMMER** anthems were "**UP TO THE CEILING DOWN TO THE FLOOR,**" and "**MIZRACH.**" We grooved, jived, and boogied like nobody's business, proving that dancing is the universal language of fun!

So there you have it, folks – a **SUMMER** of sidesplitting silliness, unforgettable escapades, and enough giggles to power a laughter factory. Thanks for joining me on this wacky ride at **SIMCHA DAY CAMP.** Until next time, keep it goofy, keep it zany, and keep spreading those smiles!

**B61** was the greatest bunk in camp because..... **EZRA BERGER-** was able to hook us up in the canteen **ELISHA FAIGEN-** showed us what real sportsmanship was after a competitive matchup with **AVI FAIGEN-** showed us what real sportsmanship is after a competitive matchup with **ELISHA RAFI FASKA-** was our bunk “pitcher” **SHLOMO FREIDUS-** wrote up for us a comic book that will one day be published and become a best seller throughout the world (and you get to see a sneak peak of it) **ETHAN FREIDMAN-** was always able to give us a good laugh **ELIYAHU GARELLEK-** knew the daily schedule backwards and forwards **DRAKE GERTELMAN-** recruited “the West Hempstead gang” to join us for the second half and help make it the greatest **MOSHE SHLOMO GOLD-** was always making sure that everyone is having fun **ARYEH GROPPER-** “was in our bunk” **ETAN HAIMOFF-** was always ready for one of Nachie’s pickup football games wherever we found an open area **AARON ZEV HERMAN-** wore a Mets jersey so we can’t forget about them even though they threw away their season **LIAM KHAIMOV-** was making sure the bunk chemistry was on point **ELIYAHU MARKOVICH-** was prepared for anything and everything **MORDECHAI MARKOVITZ-** always had a binder of baseball cards for anyone who got bored **DONI MISHER-** always offered to help the workers in the canteen **AVRAHAM CHAIM NEFAS KALIMI-** helped everyone get to their activity **YITZY PFEIFFER-** was getting bombarded by each of his former councilors **ZACHARIAH PLATSCHEK-** was always ready to get in the pool **AMI ROMAN-** was able to have a baseball catch with whoever, whenever **SHALOM RUBINOFF-** always had a basketball with him just in case we needed one **PINCHAS SONNENBLICK-** was trying to prove to **SHLOMO FREIDUS** that he can “beat him at his own game” **ELIYAHU THURM-** knew which league game was happening

and where it took place **ARIEL WEISSMAN**- made sure all zones were covered even when playing man **SHLOMO WISE**- was always ready to make a full court game of basketball (even if we didn't have the full court) **YEHOSHUA YONAIEV**- always had a positive attitude no matter what the activity was **AIDEN YOUNGER**- joined our bunk when we thought it couldn't get any better **MORDY SHORE (JC)**- was able to get involved with the campers to give them a better time during each activity Now.....before we get to the reason why I (in my opinion) helped make our **BUNK THE GREATEST**, I just wanted to thank all of you guys for helping this **SUMMER OF 2023** be my best summer yet. If not for each one of you, it wouldn't have been the same and then who knows where the "**SUMMER OF 2023**" would have ended up in the rankings of my last 20 summers. So.....here it is..... **B61 WAS THE GREATEST BUNK IN CAMP BECAUSE... NACHIE AKSELROD (COUNSELOR) ALWAYS WANTED TO PLAY FOOTBALL OVER ANY OTHER ACTIVITY, AND SINCE FOOTBALL IS THE GREATEST SPORT IN THE WORLD, THAT MADE US THE GREATEST BUNK IN CAMP!** Following this logic- if you don't think that football is the greatest sport in the world, then you also don't think that **B61** was the greatest bunk in camp. Anyways, I hope you guys follow up your best summer ever with your best school year ever. Please stay in touch, you never know where we'll see each other next, maybe u'll see me on my unicycle juggling at your Bar Mitzvah???

# COMIC PREFACE:

## (BEHIND THE SCENES)

Inspired by the first overnight, we're on the bus heading to monsey for "**PIZZA AT THE PARK**". Of course **NACHIE** gets bored sitting in the front of the bus so he takes a stroll down the aisle to see if anything interesting is going on (#F.O.M.O ).

As I'm walking towards the back of the bus, before I knew it I was sucked into a heavily debated conversation....it was **SHLOMO FREIDUS, RAFI FASKA, SIMCHA HALPERT**, and later joined by **AVI HALPERT**. Mid conversation **SHLOMO** stopped me and asked me the following puzzling question. "If you were to pick one food that if it would come alive, it would be the weirdest/funniest/and most interesting looking/feeling/and acting living creature"???

After hearing this question I was pinching myself making sure I wasn't dreaming and asking myself "where did these kids come from"? Before I could even answer, **SHLOMO** Yells out "**HOT DOG**"!!!! And that's where this idea took off.....that bus ride turned into the fastest bus ride anyone can ever imagine. Now when you give this group time to brainstorm, you come up with this..... You get a **HOT DOG** slingshot that belly flops onto a slip n' slide in order to boost itself into the land of foodville.

It took me a while to realize why anyone passing through the bus aisle gave us a look as if we were talking **CHINESE**. But **SHLOMO** took this idea very seriously and started this **COMIC BOOK** the very night he got home from the **OVERNIGHT**, and **5 WEEKS LATER**..... here it is.....

**SHLOMO**, the author and illustrator of this **COMIC** was given this challenge to put it together, and he did not disappoint, I definitely got a good kick out of it and I hope you do too.

Enjoy the read.....this is the first of many.....

Soon everyone in Foodville was fighting. So they started a war!

Daddy Hot Dog is crowned captain!

Daddy String Cheese is crowned captain!

Pareve wanted peace.

So they got their armies...

And the war

General Wings got his soldiers ready,

General Steaks got his soldiers ready,

General Pizza got his soldiers ready,

General Oreo got his soldiers ready,

Captain String Cheese appointed 4

General Meat Ball got his ready.

# THE WAR BETWEEN MILCHIG & FLEISHIG

They were fighting awhile, but they weren't getting anywhere.

Food would launch attacks,

But their enemies always got away.

They were so even.

Captain Hot Dog has a plan: He sling shots himself into enemy territory,

While Captain String Cheese has a plan: To sling shot himself into enemy territory.

# THE WAR BETWEEN MILCHIG & FLEISHIG

Captain Hot Dog and Captain String Cheese hit each other in mid-air.

Meanwhile, Pareve was building a strong army but had no captain.

Captain Hot Dog and Captain String Cheese fell down together.

While they were laying there, a cow walked through,

And they realized they shouldn't fight because they both come from cows.

# THE WAR BETWEEN MILCHIG & FLEISHIG

Captain Hot Dog and Captain String Cheese joined Pareve.

Once their captains joined Pareve, the armies didn't know what to do and joined Pareve too.

Now what do we do?

I don't know, join Pareve.

Everyone was happy,

Everyone was in peace,

And that day was a holiday in Foodville forever after.

# MEMOIRS OF A CIT DIVISION HEAD

Well well well. I sit here, memories of a summer well spent flowing through my mind. A glorious time, a time in which we reveled and basked in the glow of the warmth of the **SDC** sun, and knew that our time here would go down in posterity as an historically significant, wondrous little slice of heaven.

What are these memories, you very well may ask? What are these wellsprings of joy that give me reason to reflect in such a scintillating way? Where to even begin...

**YOSEF SCHWARTZ** once again rocked his Avs cap, giving me Nachas every single day. **SHMUEL FUTERSAK** is such a great guy; his joy for baseball and life in general is truly infectious. **ASHER FEIGENBAUM!!** You are truly one of a kind, and an incredible Ba'al Tefillah to boot! Speaking of Ba'alei Tefillah, **TZVI ETINGER** is also a bona fide leader when it comes to Davening! **ELIEZER BADALOV**, you are probably the most laid back individual I know-thanks for keeping it so cool! **NOCHUM MEIR "JACK" NOR**-You are a world class superstar. You proved it to everyone this summer, but most importantly you proved it to yourself. **BINYAMIN ZIMMERMAN**, the silent assassin, you are such a great addition to our program, thank you! **YOSEF YUSUPOV**, your smile lights up a room, keep up all that positive energy. **SHUIE TAUB**, yes you hit a grand slam over the fence, but you added so much more than just crazy hitting over the summer. **MOSHE TRUMP**, you were AMAZING with your bunk, thanks for all your hard work!

**GAVRIEL COHEN**, you once again were incredible with your bunk while being the nicest guy around. And the same goes for **SHLOMO GREENBERGER**-you're amazing! **MOSHE CHAIM COHAN**, your smile can be seen from 10 miles away. **NETANEL KAIKOV**, aside from your killer pull up 3s, you were always so positive, no matter how tough the situation. **SHMUEL ARYEH SULIMANOV**, our resident Talmid Chacham and Home Run King!! **ELISHA "STEVE" MIZRACHI**, you're the best, even though Embiid robbed the Joker this year ☺. **VALL GORBUNOVA**, by

the end of the summer, you couldn't miss from 3 point land, even when "you're not happy!" **DANIEL GREENBERG**, you are an insane baller and the most chilled guy I know-thanks for always playing your hardest. **ARYEH RAND**, I loved when you played catcher because you're the funnest guy to schmooze with! **ELIYAHU SCHREIER**, I could spend all day talking about Harry Potter and basketball with you!

**ARYEH LIEBER**, can't wait to have you in MAY, you are a superstar. **DAVE KEILSON**, your form in basketball is PERFECT! You are the funnest dude ever. **AARON KENIGSBERG**, you are the sweetest guy and you give the best handshakes. **ASHI FELDER** you rock!! **SHMUEL WEISMAN**, you and **EZRA SONNENBLICK** are a truly dynamic duo. **JOEL FRIDMAN**, I truly enjoy talking to you-you are a paradigm of a mature, communicative guy. **SHLOMO FINKELSTEIN**, you are a true hooper who keeps going no matter what, I really respect it! **YECHIEL BENAYON**, you are a great dude who everybody gets along with. **DOVID GERLITZ**, thanks for being so great with your bunk. **SHAI FOGEL**, you came oh-so-close to getting \$5 by hitting it over the fence-next year!! **NOACH LIPKA** came added a little Israeli spiciness to our chill. **SHLOMO MARKOVICH**, you have improved drastically on the court-keep it up and you'll be a great! **SHLOMO ZALMAN SEBROW**, you are incredibly mature and so easy to be around. # RED COLOR WAR GENERAL 2023

Friends, Yidden, red team, lend me your ears!

Once more have the legions of red team conquered color war. However, do not believe this to be the fault of the lack of prowess blue team possessed. Instead, know and understand that this war was not one to be taken lightly in the annals of history. You see comrades, the secret to our victory lied simply within the strength and fortitude of our rank-and-file soldiers... YOU! Half the battle was simply believing that we had won it already, and I truly believe that was the case this year. Despite our setbacks, **RED TEAM PROVED VICTORIOUS!**

This was in no small part thanks to our intrepid officers and commanders who fearlessly led the vanguard in this fateful struggle for pigmentation supremacy. Shout out to Lieutenant **YAAKOV BLOCK** for taking charge of the senior division, nice job on the **APACHE!!!!**

Yasher koach to Harav captain **MOSHE SEBROW** for his awesome pumping up skills with the **20'S & 30'S DIVISION**, all while balancing shachris!!! To the ORIGINAL Sergeant **RAFI STERN** for stepping up **BIG TIME** and shoring up our wavering battle lines, **AVÈ CAESAR**. To our **Q5 BUS COUNSELOR YONI**, the fear you've instilled in both **BLUE AND RED TEAMS** is truly awe-inspiring! To our awesome skit crew, the song is "**YAKETY-SAX**" in case you wanna show off at any parties or weddings!

**TUSK, MARKOWITZ, LERNER, SAUER, MEZEI, SKIRLOFF, STERN, THANK YOU!!!**

However, as **CHURCHILL** himself had said, "the war on the front would not be possible without support from home", and I would therefore like to give ANOTHER thank you to **SHLOIMY**, as well as the other **JC'S** for supporting the war effort!

But my biggest thank you is to all of **RED TEAM**. Seriously. All the blood, sweat, tears, and time paid off only because **RED TEAM GAVE IT THEIR ALL!!!** For the rest of the year, just remember this victory, and realize that all you need to succeed is a **FINAL HUZZAH!!!**

Top3!

# BLUE TEAM COLOR WAR GENERAL

I am writing to you while still filled with **GATORADE**, every movement I make, sounds like an **OCEAN WAVE SPLASHING** through my intestines. I'm checking back in to thank all of you who put their all into making sure the things that had to get done...got done. I wanted to start by thanking our **COLOR WAR "ZAIDE", DOVID ORRIN** for doing exactly what that title expects of you, adding your **"FORMER GENERAL"** knowledge insight and experience but you didn't stop there, **WRITING THE SONGS** while I was on an **OVERNIGHT, TEACHING THE SONGS DURING TEAM TIME**, and I can't go without mentioning your epic "שור בור" special which debuted at the **GRAND SING**. To our **LIEUTENANT GENERAL JOEY KENIGSBERG**, thank you for keeping everyone hyped while leading the **50'S** to basically every possible victory (we won't even mention how late he stayed with **DOVID** decorating the lunch room). To our **CAPTAIN CHAIM MESSINGER**, the star of the skit and also keeping a close eye on the midz making sure they play their crucial part in this **WAR**. A few more honorable mentions would be; Shmueli Altman for allowing me to dump the skit in his hands for him to take it to the next level. A big thank you to all staff involved in the apache race (you know how much this race means to me) and led us to

# BLUE TEAM - COLOR WAR GENERAL CONTINUES...

our victory.....oh wait.....it's under review.....but wait.....  
WE WON IT AGAIN. Thanks to **ROCKY ROTHMAN** for finishing the race strong after running the entire race with each of the 3 runners you accepted the task of running even more and chugged that water to get us that win. One of the last shoutouts go to our **BOKER BLUE BASEBALL TEAM** that scored 7 runs in just 2 innings. That game was a lot of fun to be a part of, thanks guys! To all you **CAMPERS** who participated in any activity that had to do with color war, from league games to special activities to team time, to the grand sing, your efforts didn't go unnoticed, although we didn't get the outcome we wanted I hope you guys still had fun in the moment. On behalf of **DOVID** I wanted to thank you guys for behaving (for the most part) and learning the songs quickly during team time. **CONGRATS GEN. (CEASER) MOSHE POTASHNIK** and team on your victory, you guys were never "**RED HOT**" nor "**READY TO ROLL**" but you did "go" and get that **W**. Enjoy this one because it won't happen again against me and let me know when your ready for a **GATORADE CHUGGING COMPETITION**.

Signing off, losing general of a winning team,

**NACHIE AKSELROD**

Kicking-off, the summer fun

All of us here, together as one

Just let me stay, this is my home

Such a short time, why must we end

Memories here, last all year!

# WINNING TEAM OF RED CHEER SONG

Low 1

Air is bad, leaving camp,  
To the buses, up the ramp  
Color war's finally here,

Rabbi Taub on the mic,  
Gonna hear who leads the fight,  
Layla's gonna win this year,

Low 2

With Moshe, Yaakov and Sebrow  
There's no way we are losing now,  
You might as well say goodbye,

Stars are out, moon will shine  
Cloudy days -no sun to find,  
Layla's gonna reach the sky

Chorus

Red red red, Layla here we go,  
Reds gonna win we're unstoppable  
Red red red Layla all the way,  
Blue better run cuz we're here to stay,

Red red red blue's got nothing on us,  
Red's gonna be victorious,  
Red red red come on shout it loud,  
Layla's winning color war,  
Go red we've got this!!!

Low 3

Chaim, Joey and Nachi,  
Along with your whole army,  
Better turn a tail and flee

Against our bearded general  
As well as Block and Sebrow  
We're heading towards victory

Sorry blue you've had your shot,  
But red team is burning hot,  
This spark will light up the night

Boker will have to wait a bit,  
It's Layla's turn, we're up to hit,  
Our fire will win this fight!

Hebrew Song

Low 2x

Alma mater

Low 1

I got off the bus to SDC  
A place so special to me  
I'm finally back  
To my favorite camp  
The place I've wanted to see

It's been a long school year,  
Without people I hold so dear  
Now I get to see them  
All my precious friends  
This summer I know I won't forget

This summer I know I won't forget

Chorus 1

SDC no place I'd rather be  
I'll never forget all the memories  
You have been, etched into my heart  
Do we really have to part

SDC no place I'd rather be  
You have become my family  
Why must I go, it feels so wrong  
Simcha is where I belong

Low 2

I'm so full of gratitude  
To head staff for all they do  
Rabbi Taub and Rabbi Sudwerts  
And all my counselors  
Camp was great thanks to you

This summer has been such a blast,  
Memories now in the past  
Leagues, trips and swim  
Fields, prom and gym  
The fun went by so fast  
How I wish it could last

Chorus

SDC no place I'd rather be  
I'll never forget all the memories  
You have been, etched into my heart  
Do we really have to part

SDC no place I'd rather be  
You have become my family  
Why must I go, it feels so wrong  
Simcha is where I belong

## **O Red Team Introduction to Comedy Skit (ttto Canadian National Anthem)**

O SDC, our home and native camp  
True achdus thou dost in us command

We see your fields and Gaga pits

From pool until Kayitz

And lose our bunks, oh SDC

Lose our bunks quickly

Oh SDC, oh SDC

Oh SDC we love you dearly

Oh SDC we love you dearly

Oh SDC, where staff and campers play

Where We get exercise by climbing stairs all day

We follow rules religiously

Like sunscreen and drinking

And yellow balls, oh SDC

Return them to Donny

Oh SDC, oh SDC

Oh SDC we love you dearly

Oh SDC we love you dearly

Oh SDC, this my final verse,

I hope this song has been, a blessing not a curse

Despite the end of color war

Our hearts remain as one

And achdus rules victorious

Like rabbi Taub doth wish

Goodbye SDC, thou I hope to see,

During my long school year I'll think of thee fondly,

Oh SDC, we love you SO, DEAR, LYYYYYY
