SUMMER 2026

ISSUE #2

JULY 3, 2026

Spectacular Second Week!

Parshas

פנחס

8:11pm

When The Torah tells the story of how the daughters of Tzelafchad came to Moshe Rabbeinu asking for a share in The Land, it lists their lineage - who they came from, “The daughters of Tzelafchad, the son of Cheyfer, the son of Gil’ad, the son of Machir, the son of Menashe, from the families of Menashe the son of Yosef.” Why was it necessary to list all their lineage *all the way to Yosef*? Rashi tells us this teaches us that just as Yosef loved The Land (and asked to be buried there), so did with the daughters of Tzelafchad.

Rav Moshe Feinstein asks, why did we have to compare their love of The Land to that of Yosef, was it not enough praise for them to say that *they themselves* loved The Land?

He answers that it teaches us that what we learn to do from generations past through our Rebbeim, is more valued than what we figure out ourselves. Therefore, we should always gravitate to our Rabbonim and Rebbeim for they pass on to us the closeness to Hashem and the love for learning Torah and doing Mitzvos.

LIVE REPORT!

What a blastastic week we had at **SDC** this week! Every day was packed with excitement, laughter, and unforgettable memories. It was awesomazing! From the second the buses pull up to camp until the end of each action-packed day, the smiles on our campers' faces says it all.

The **20'S** had a funplosive Late Night with an extended refreshing late swim, our exclusive **SPORTS SWITCH** activity and a delicious barbecue of hot dogs and hamburgers to top it off. Blawesome!

Farmer Day was funxciting! Throughout the day, campers could be heard enthusiastically singing "Old MacDonald Had a Farm," filling camp with laughter and song. The excitiblasting led to a thrilling bean hunt, followed by a special **MAKE YOUR OWN SIMCHA DAY CAMP FLOWERPOT STEM PROJECT**, featuring our new **SDC** logo. To make the day even more memorable, a bunch of exotic animals just happened to move into the circular driveway of camp! No one knew what hit them, as campers enjoyed pony rides, duck hunting and alpaca spitting, making for smiles that lasted all day long. Rabbi Taub laughed the hardest when an alpaca sneezed in his face! Yikes!

The funpalooza kept thrumming, with a pounding Late Night for the **40'S DIVISION**, with a massive game of capture the flag aaaaand the winner wuzzzzzzzzzzz..... The flag?

LIVE REPORT!

Wednesday started out nice and quiet. The birds were chirping, the sun was just starting to rise, earthworms were digging holes and ants were carrying canteen food back to their families. Just a regular run of the mill day here at SDC. Then the first bus rolled in... The surprise on the campers' faces was picture perfect! Big huge UFO's had landed all over the 4 massive baseball fields! The entire campus was covered in these flattened rubber objects!... But wait! What was happening!? What's that sound!? Why are they moving!? and blowing up, larger, larger, larger and LARGER! ooooooh! It was the **SDC CARNIVAL!** Camp transformed into an incredible carnival packed with exciting rides, games, ice slushies, attractions, and nonstop fun for everyone! The campers and staff had an absolute blast as they spent the day having a blast.

The pumperoo didn't stop there! The **SENIORS XTREME!** Division headed out to the Islip Ducks baseball game, where they had an awesomsauce time cheering for their favorite players! Campers were even able to run right onto the field. After an exciting night at the ballpark, the Xtremely excited campers boarded the bus for a late night drive home and a great end to an unforgettable day!!

STAY TUNED—THERE'S STILL SO MUCH MORE FUN AND EXCITEMENT COMING UP NEXT WEEK!!

HAVE A TRANQUIL SHABBOS!

PETTING ZOO

LIVE REPORT FROM THE JUNTORS!

What an amazing second week at SDC Juniors! Our campers had a week filled with smiles, laughter, and exciting adventures as we continued discovering all the fun that's "in store" this summer!

This week we enjoyed a petting zoo, where campers loved meeting and feeding the friendly animals. We also had an action-packed Carnival Day featuring exciting games, prizes, and giant water slides that kept everyone laughing, splashing, and having an unforgettable time!

Our Animal Hunt had everyone searching for hidden surprises by following clues and working together as a team. In STEM, campers put their thinking caps on during a fun egg challenge, using creativity and problem-solving skills to complete the activity. Our campers also had an awesome time in the Sports Clinic, where they practiced their skills, teamwork, and sportsmanship while playing kickball and soccer! The fun continued all week in our specialties with exciting Wacky Science experiments, Karate, delicious Baking, and hands-on Fun with Food activities.

We can't wait to see what exciting adventures are in store for Week 3!

Love,

Morah Mirel and Morah Aliyah
