Fabulous Fifth Week!

Parshas

פֶּשֶׁרֶת וְאַתְחָנֵן

It says in this week's פרשה that משה רבינו we say that does not have an impact in שמים. davened to הקב"ה one last time to be allowed regardless of whether or not we think we have gotten what we asked for. משה רבינו knew this, and even though he did not get what he wanted, he knew the impact that all 515 תפלות would have in שמים. The language used is ארץ ישראל. which tells us is one of the 10 languages of תפילה. משה מדרש tells us that משה רבינו davened at this point in time 515 times! Where do we know that from? The גימטריא of as well as the word תפלה are 515!

One would think that after a few times was all for nothing because we did not seem to get what we asked for. Chas V'Shalom! A person should never think this way. הקב"ה is always listening and every Tefilla does have an impact, even though we might not see it.

We learn from here a very important lesson in regards to the כח of תפלה. Even if someone thinks that they are not being answered when they daven, one should realize that there is not one single תפלה that May we all be זוכה to make each one of our תפלות count and may that bring us closer to ימות המשיח במהרה בימינו the

LIVE REPORT!

The second half exploded with a pump here at **SDC**! The excitement kicked off with an action-packed Military Day, as the **MIDZ** proudly represented Army vs. Navy, a day filled with teamwork, spirit, and extreme competition. Campers came dressed in military colors and camouflage, sparking exhilarating challenges, and an absolute blast playing Laser Tag as part of the hype! The action, teamwork, and ruach left an impression in everyone's psyche!

As the excitement of **MILITARY DAY** wound down, it was just starting to ramp up in the **SDC EXTREME DIVISION**, with an awesome Laser Tag Late Night. Participants enjoyed an unforgettable night of action as the camp was transformed into an exciting **LASER TAG** arena. Players ducked, dodged, and strategized their way through thrilling matches, making it one of the most exciting nighttime events of the summer so far. The night ended with a massive 9 Days **HOLY SCHNITZEL** siyum made by **RABBI SUDWERTS**. The **XTREME** campers were served an **XTREME** dinner of assorted foot-long hoagies with steak sandwiches, schnitzel sandwiches, schwarma and more, alongside pans and pans of freshly fried wings! Everything was washed down with freezing cold freshly squeezed Lemonade! In the words of a very knowledgeable camper, "My new favorite food is Wings!"

The craziness kept on growing, as our **40'S** through **CIT'S** headed to the bowling alley for an afternoon of

LIVE REPORT!

strikes, spares, and plenty of laughs. Everyone cheered and celebrated every great roll, and the competition was infectious. Did anyone roll a perfect 300 game?

Erev Tisha B'Av, was a special Achdus Day in the **MIDZ**. Throughout the day, campers focused on showing kindness and unity by performing thoughtful acts for one another. Every mitzvah and act of friendship earned them both **MITZVOS** and **SIMCHA BUCKS**, making it a day filled with smiles, generosity, and true camp spirit.

Meanwhile, the **40'S-70'S** enjoyed an incredible **ISRAEL VIRTUAL REALITY** experience, giving them the opportunity to explore the beauty and history of **ERETZ YISRAEL** in an exciting and immersive way.

As the day came to a close, we prepared for Tisha B'Av and had the privilege of hearing a heart wrenching story from **RABBI TAUB** about what it means to be a Jew and what we have to see in each other.

There was no camp on Tisha B'Av, and by Friday everyone was excited to be back together. Campers swam in our huge heated pool as **CAMP** returned with an energetic **SIMCHA DAY CAMP** Erev Shabbos, filled with ruach, singing, friends, and the joy that makes every Friday at **SDC** so special. It was the perfect way to head into Shabbos and celebrate an incredible first week of the second half.

Simcha Reporter

LIVE REPORT FROM THE JUNIORS!

What another incredible week we had at **SDC JUNIORS**! Our campers enjoyed exciting activities, hands-on learning, and lots of smiles from start to finish!

This week we were entertained by the **SMALL WONDERS PUPPET THEATER**, where the boys laughed, sang along, and had a wonderful time watching the exciting puppet show. We also celebrated **DRESS UP AS YOUR FAVORITE COMMUNITY HELPER DAY**, and it was so much fun seeing our campers come dressed as **FIREFIIGHTERS, POLICE OFFICERS, DOCTORS, CONSTRUCTION WORKERS**, and so many other everyday **HEROES**!

The summer heat didn't stop the fun! The boys had an epic water **BALLOON FIGHT** and enjoyed exciting **WATER ACTIVITIES** that kept everyone cool, laughing, and smiling all day long. To top it all off, everyone enjoyed a refreshing Rita's Italian Ice, making it the perfect summer treat!

In **SPORTS CLINIC**, the boys had a blast playing floor hockey and dodgeball while practicing teamwork, coordination, and good sportsmanship.

Our **YOUNG BAKERS** got a little messy making delicious dirt cups using chocolate cake, chocolate pudding, and gummy worms. They even enjoyed eating their creations with adorable little shovel spoons, making the treat even more fun!

In **ART**, the boys created their own colorful tote bags using special tissue paper that magically melted into the fabric when sprayed with water. They loved watching their plain bags transform into beautiful, one-of-a-kind masterpieces full of bright colors!

STEM was filled with bubbly fun as the boys experimented with making their own bubbles! They bent pipe cleaners into fun shapes

like stars, circles, and diamonds to create unique bubble wands. They even used their hands to make bubble shapes and blew some giant bubbles while exploring how different shapes create different bubbles.

This week in **WACKY SCIENCE**, the boys discovered that water can actually “walk!” They built bridges between jars using paper towels and watched colored water travel into empty jars. They were amazed as the colors mixed to create new ones—like yellow and blue magically turning into green! By the end, they had created a beautiful rainbow of colorful jars and even recorded their observations with before-and-after pictures, just like real scientists.

In **FUN WITH FOOD**, the boys decorated delicious sky cookies! They created bright blue skies topped with fluffy marshmallow clouds and colorful rainbow sour belts. Their sweet creations looked almost too good to eat!

Our campers also had an unforgettable time in **SENSORY**, where the room was transformed into a fun **GLOW-IN-THE-DARK ADVENTURE!** They wore glow-in-the-dark face paint and searched high and low for glowing toys hidden throughout the room. It was a magical experience that everyone loved!

Another amazing week has come and gone, and we are so proud of all the creativity, curiosity, and excitement our campers bring each day. We can’t wait for another week of fun and unforgettable memories at **SDC JUNIORS!**

Love,

Morah Mirel and Morah Aliyah
